

PECB Certified ISO 26000 Lead Auditor

Master the Audit of Social Responsibility Programs (SRP) based on ISO 26000

Why should you attend?

ISO 26000 Lead Auditor training enables you to gain comprehensive knowledge of the key principles and subjects of social responsibility, which are required to audit the integration of a Social Responsibility Program (SRP) within an organization. The Lead Auditor training will equip you with the necessary expertise to measure an organization's performance in terms of sustainable development, legal compliance and society's welfare based on ISO 26000.

Based on practical exercises, you will be able to master audit techniques and become competent to manage an audit program, audit team, communication with customers, and conflict resolution.

After acquiring the necessary expertise to perform this audit, you can sit for the exam and apply for a "PECB Certified ISO 26000 Lead Auditor" credential. By holding a PECB Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to measure organizations SRP performance based on best practices.
