

PECB Certified ISO 37001 Lead Implementer

Master the implementation and management of Anti-bribery Management Systems (ABMS) based on ISO 37001

Why should you attend?

The benefits of implementing an anti-bribery management system (ABMS) based on ISO 37001 are manifold: helping the organization avoid or mitigate the costs, risks, and damage of involvement in bribery, promoting trust and confidence, encouraging due diligence and ethically sound business dealings, etc. To gain such benefits for your organization, you must be equipped with the knowledge and skills required to establish, implement, manage, maintain, and continually improve an ABMS. For that, the PECB ISO 37001 Lead Implementer training course is the right place to be. The training course aims to provide in-depth understanding of ISO 37001 requirements, as well as the best practices and approaches used for the implementation and subsequent maintenance of the management system.

By attending the training course, you can help organizations comply with anti-bribery laws, as well as establish controls within the organization that proactively contribute in combating bribery and contribute to the creation of a culture of integrity, transparency, openness, and compliance.

After attending the training course, you can take the exam. If you pass, you can apply for the "PECB Certified ISO 37001 Lead Implementer" credential. Internationally recognized and **IAS accredited**, the "PECB ISO 37001 Lead Implementer" certificate validates your professional capabilities and competences to implement an ABMS in an organization based on the requirements of ISO 37001.
