

## PECB Certified ISO 37001 Lead Implementer

Master the implementation and management of Anti-bribery Management Systems (ABMS) based on ISO 37001

### Why should you attend?

ISO 37001 Lead Implementer training enables you to develop the necessary expertise to support an organization in establishing, implementing, managing and maintaining an Anti-bribery Management System (ABMS) based on ISO 37001. During this training course, you will also gain a thorough understanding of the global anti-corruption best practices of Anti-bribery Management Systems and effectively prevent, detect and address bribery before it negatively impacts an organization's reputation and profits.

After mastering all the necessary concepts of Anti-bribery Management Systems, you can sit for the exam and apply for a "PECB Certified ISO 37001 Lead Implementer" credential. By holding a PECB Lead Implementer Certificate, you will be able to demonstrate that you have the practical knowledge and professional capabilities to implement ISO 37001 in an organization.
