

PECB Certified ISO/IEC 20000 Foundation

Become acquainted with the best practices of IT Service Management Systems (ITSMS) based on ISO/IEC 20000

Why should you attend?

ISO/IEC 20000 Foundation training enables you to learn the basic elements to implement and manage an IT Service Management System (ITSMS) as specified in ISO/IEC 20000. During this training course, you will be able to understand the different modules of an ITSMS, including ITSMS policy, procedures, performance measurements, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a "PECB Certified ISO/IEC 20000 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.
