

## PECB Certified ISO/IEC 27034 Lead Auditor

Master the Audit of Application Security (AS) based on ISO/IEC 27034

### Why should you attend?

ISO/IEC 27034 Lead Auditor training enables you to develop the necessary expertise to perform an Application Security (AS) audit by applying widely recognized audit principles, procedures and techniques. During this training course, you will acquire the necessary knowledge and skills to plan and carry out Application Security audits.

Based on practical exercises, you will be able to master audit techniques and become competent to manage an audit program, audit team, communication with customers, and conflict resolution.

After acquiring the necessary expertise to perform audits, you can sit for the exam and apply for a "PECB Certified ISO/IEC 27034 Lead Auditor" credential. By holding a PECB Lead Auditor Certificate, you will demonstrate that you have the capabilities and competencies to audit organizations based on best practices.
