Master the Assessment of Testing and Calibration Laboratories based on ISO/IEC 17025

Why should you attend?

The ISO/IEC 17025 Lead Assessor training enables you to effectively lead a laboratory towards the ISO/IEC 17025 accreditation by enhancing your understanding of the laboratory’s quality, administrative and technical operations. This training course will equip you with the necessary skills and expertise to plan and lead an ISO/IEC 17025 accreditation assessment.

Based on practical exercises, you will be able to master the assessment techniques and become competent to assess the compliance of laboratories with ISO/IEC 17025 requirements.

After mastering the necessary concepts related to the requirements of this standard, you can sit for the exam and apply for a “PECB Certified ISO/IEC 17025 Lead Assessor” credential. By holding a PECB Lead Assessor Certificate, you will demonstrate that you have the capabilities to assess the competence of Testing and Calibration Laboratories to provide reliable results based on best practices.
