About PECB

PECB is a certification body for persons, management systems, and products on a wide range of international standards. As a global provider of training, examination, audit, and certification services, PECB offers its expertise on multiple fields, including but not limited to Information Security, IT, Business Continuity, Service Management, Quality Management, Risk & Management, Health, Safety, and Environment.

We help professionals and organizations show commitment and competence by providing them with valuable education, evaluation and certification against rigorous internationally recognized standards. Our mission is to provide our clients with comprehensive services that inspire trust, continual improvement, demonstrate recognition, and benefit the society as a whole.

Our principal objectives and activities are to:

1. Establish the minimum requirements necessary to certify professionals, organizations and products.
2. Review and verify the qualifications of applicants for eligibility to be considered for the certification evaluation.
3. Develop and maintain reliable, valid, and current certification examinations.
4. Grant certificates to qualified candidates, organizations and products, maintain records, and publish a directory of the holders of valid certificates.
5. Establish requirements for the periodic renewal of certification and determine compliance with those requirements.
6. Ascertain that our clients meet ethical standards in their professional practices.
7. Represent its members, where appropriate, in matters of common interest.
8. Promote the benefits of certification to organizations, employers, public officials, practitioners in related fields, and the public.
Value of PECB Certification

Why Choose PECB as Your Certification Body?

Global Recognition
Selecting the right organization or certification body that offers qualitative and credible training and certification services can be a challenge. However, by choosing an accredited certification body, such as PECB, proves that you are in compliance with best practices, up to speed, and trustworthy.

Professionals who pursue a PECB certification credential will benefit from the recognition in domestic and overseas markets. Being accredited by some of the strictest and most reputable accreditation bodies in the world gives us global recognition.

Competent Personnel
PECB is acknowledged by technically competent people that have relevant sector experience. All of our personnel hold professional credentials and are constantly trained and monitored to ensure more than satisfactory outcomes for our clients.

Compliance to Standard
Certification is proof of compliance to a particular standard. It proves that the standard’s requirements and principles have been fulfilled and validated with adequate consistency, professionalism and impartiality. PECB accredited certifications are evidence of strict compliance with Standards and their conditions, therefore reflecting safety, reliability and superior quality.

Reasonable Fees
Being able to afford professional and credible certification services that are recognized globally can be a struggle in today’s world. Besides being the lowest charging organization for professional training and certification services, including both the examination and certification process fees, PECB also has the lowest certification maintenance fees in the industry.

Why not benefit from the opportunity of attaining accredited professional certifications that are globally recognized, fully compliant with standards, and easily affordable? PECB certifications have proven to be effective instruments for confirmation of knowledge, skills, and experience in a rapidly changing economy. By holding a PECB Certification, you will demonstrate that you have the necessary capabilities of shielding yourself, and your organization against persistent, changing and undefined threats in a moderately challenging environment over a short period of time.
PECB Code of Ethics

PECB professionals will:

1. Conduct themselves professionally, with honesty, accuracy, fairness, responsibility and independence.
2. Act at all times solely in the best interest of their employer, their clients, the public, and the profession, by acting in accordance with the professional standards and applicable techniques while, performing professional services.
3. Maintain competency in their respective fields and strive to constantly improve their professional skills.
4. Offer only professional services for which they are qualified to perform, and adequately inform clients and consumers about the nature of proposed services, including any relevant concerns or risks.
5. Inform each employer or client of any business interests or affiliations which might influence their judgment or impair their fairness.
6. Treat in a confidential and private manner the information acquired during professional and business dealings of any present or former employer/client without its proper consent.
7. Comply with all laws and regulations of the jurisdictions where professional activities are conducted.
8. Respect the intellectual property and contributions of others.
9. Not communicate intentionally false or falsified information that may compromise the integrity of the evaluation process of a candidate for a professional designation.
10. Not act in any manner that could compromise the reputation of PECB or its certification programs.
11. Fully cooperate on the inquiry following a claimed infringement of this Code of Ethics.

The full version of the PECB Code of Ethics can be downloaded from this link: https://pecb.com/en/pecb-code-of-ethics.
Introduction

ISO/IEC 20000-1 defines the requirements for establishing, implementing, maintaining and continually improving a Service Management System (SMS). The standard specifies the requirements that allow organizations to properly manage their service quality and lifecycle. It includes planning, design, transition, delivery and improvement of services which allow the organizations to meet service requirements and deliver value to customers, users and the organizations itself.

While organizations actively seek for ways to improve their management system, they increase the value and quality of the services they offer. Thus, by complying with the requirements of ISO/IEC 20000-1, organizations are able to plan their processes and their interaction, and increase the opportunity to achieve organizational objectives. An organization may have different management systems, such as a Quality Management System (QMS), an Information Security Management System (ISMS), an Environmental Management System (EMS), etc.

The implementation and operation of an SMS is a strategic decision for an organization and is influenced by the organization’s objectives, the governing body, other parties involved in the service lifecycle and the need for effective and resilient services.

Nowadays employers are not just seeking service management professionals, but want proof that these professionals hold a predetermined set of knowledge and skills. Companies now place a high degree of importance on hiring, contracting with, and promoting certified practitioners prepared to tackle current and future challenges.

It is important to understand that PECB certifications are not a license or simply a membership. They represent peer recognition that an individual has demonstrated proficiency in, and comprehension of, a series of competencies. PECB certifications are awarded to candidates that can provide proof of experience and have successfully passed a standardized exam in the certification area.

This document specifies the PECB ISO/IEC 20000 Lead Implementer Certification schemes in compliance with the ISO/IEC 17024:2012 standard (Conformity assessment — General requirements for bodies operating certification of persons). This handbook also contains information about the process by which candidates may earn and maintain their credentials. It is very important that you read all the information included in this booklet before completing and submitting your application. If questions arise after reading this application handbook, please contact the PECB international office at certification@pecb.com.

President and Chief Operating Officer
PECB Certification Process Steps

1. Decide which Certification is Right for You
   Each PECB certification has specific education and a set of experience requirements. To determine which credential is right for you, verify all eligibility requirements for the different ISO/IEC 20000 Lead Implementer certifications and your professional needs.

2. Prepare for the Exam
   All certification candidates are responsible for their own study and preparation for the examination. No specific set of courses or curriculum of study is required as part of the certification process. Likewise, the completion of a course or program of study will significantly enhance your chance of passing a PECB certification examination. To learn more about exams, competency domains and knowledge statements please go to: Exam Preparation Guides.

3. Apply and Schedule the Exam
   Candidates shall contact one of our partners, who provide training courses and exam sessions worldwide. To find a training provider in your region, please follow this link https://pecb.com/partner/active_partners. Also, the PECB training schedule is available here https://pecb.com/events.

4. Take the Exam
   Candidates will be required to arrive at least thirty (30) minutes before the start of the certification exam. Candidates arriving late will not be given additional time to compensate for the late arrival and may be denied entry to the exam. All candidates are required to present a valid identity card such as a national ID card, driver's license, or passport to the invigilator. The duration of the exam varies according to the type of examination taken (find below the description of the different exams for more details). Additional time can be given to candidates taking the exam in a language different than their mother tongue (when requested by the candidates, on the exam day).

   Exam type:
   Essay types, known as “open book” exams, are exams where the candidates are authorized to only use the following reference materials:
   • A copy of the ISO/IEC 20000-1 standard
   • Course notes from the Participant Handout
   • Any personal notes made by the candidate during the course session
   • A hard copy dictionary

   For more information about exam details, please visit Examination Rules and Policies.

5. Receive your Exam Results
   Results will be communicated by email within a period of 6 to 8 weeks from the examination date. The candidate will be provided with only two possible examination results: pass or fail, rather than an exact grade.

   In case of exam failure, the results will be accompanied with the list of domains in which the candidate failed to fully answer the question(s). This can help the candidate better prepare for a retake exam. Candidates, who disagree with the exam results, may file a complaint by writing to examination@pecb.com.

6. Apply for Certification
   All participants who successfully pass their certification exam (or an equivalent accepted by PECB) are entitled to apply for the PECB credentials they were examined for. Specific
educational and professional requirements will need to be fulfilled in order to attain a PECB certification. Candidates are required to fill out the online certification application form https://pecb.com/en/user/checkEmail, and fill out all other online forms (that can be accessed via their PECB online profile), including contact details of references who will be contacted to validate the candidate’s professional experience. Lastly, before submitting the application, a candidate can choose to pay online or be billed. In case the candidate requires additional information, he or she should contact accounting@pecb.com or certification@pecb.com.

The approval of the application occurs as soon as the Certification Department validates that you fulfill all the certification requirements regarding the credential you have applied for. An email will be sent to the email address you provided during your application process to communicate your application status. If approved, you will then be able to download your certificate from your PECB member account.

7. Maintain Your Certification
PECB certifications are valid for three years. To maintain the certification, the applicant shall demonstrate every year that he or she is still performing tasks that are related to the certification. PECB certified professionals shall annually provide PECB with the number of hours of auditing or implementation-related tasks they have performed, along with the contact details of individuals who can validate such tasks. Additionally, certified professionals should regularly pay the annual PECB certification maintenance fees.

A notification email is sent to our certified members, who are required to submit their Continuing Professional Development (CPD) credits along with the Annual Maintenance Fee (AMF) three months before the annual date of their certification. The PECB certified members will then be able to submit their CPDs by visiting their account and providing the required information for the respective certification.
ISO/IEC 20000 Lead Implementer

The ISO/IEC 20000 Lead Implementer credential is a professional certification for professionals aiming to develop the necessary expertise to support an organization in establishing, implementing, managing and maintaining a Service Management System (SMS) based on the requirements of the ISO/IEC 20000-1 standard.

The principal competences and skills required by the market are the ability to support an organization in implementing and managing a Service Management System (SMS) as specified in ISO/IEC 20000-1. The abilities to apply best practices and continually improve the organization’s processes, services and overall performance are typically required, and the candidate will be able to gain such competence by attending the ISO/IEC 20000 Lead Implementer training course and getting certified against the ISO/IEC 20000-1 standard.

The requirements set out in ISO/IEC 20000-1 are generic and are intended to be applicable to all organizations, regardless of type, size or nature.

The ISO/IEC 20000 Lead Implementer certification is intended for:

- Managers or consultants involved in the implementation of a Service Management System (SMS) in an organization
- Project managers or consultants wishing to master the Service Management System implementation process
- Individuals responsible for maintaining conformity to the requirements of the ISO/IEC 20000-1 standard
- Expert advisors seeking to master the implementation of a Service Management System
- Members of the SMS implementation team

The requirements for PECB ISO/IEC 20000 Implementer certifications are:

<table>

<td>Signing the PECB Code of Ethics</td>
</tr>
</tbody>
</table>
To be considered valid, the Service Management System activities should follow best implementation and management practices and include the following:

1. Drafting an SMS implementation plan
2. Initiating the implementation of an SMS
3. Implementing an SMS
4. Managing, monitoring and maintaining an SMS
5. Identifying and acting upon continual improvement opportunities
6. 

**General Information**

**Applying for Certification**
Candidates who apply for PECB certification will need to provide the following:

- Two references, including their names and contact details
- Their most recent CV
- Their service management project log

PECB will validate professional experience with your references to ensure the accuracy of all applications.

**About Application**

**Language**
PECB provides support in English and French.

**Application Fees for Certification**
The application fee for certification is USD 500.

For all the candidates that have followed the training and the examination with one of PECB’s Partners, application fees include examination, application for certification and one year of Annual Maintenance Fee (AMF).

**Examination Cancellations**
Please contact your partner for any changes regarding examination date, time, location, or other details.

**About Examination**

**Admission Rules to Examination**
Candidates shall comply with all the security rules established for the examination. For more specific information about this exam, please contact examination@pecb.com to request a copy of the corresponding exam preparation guide, or download it from the PECB website: https://pecb.com/en/exam-preparation-guides.

**Examination Security**
A significant component of a successful and respected professional certification credential is maintaining the security and confidentiality of the examination. PECB relies upon the ethical behavior of certificate holders and applicants to maintain the security and confidentiality of PECB examinations. When someone who holds PECB credentials reveals information about PECB examination content, he or she violates the PECB Code of Ethics. PECB will take action against
individuals who violate PECB Policies and the Code of Ethics. Actions taken may include permanently barring individuals from pursuing PECB credentials and revoking certifications from those who have been awarded the credential. PECB will also pursue legal action against individuals or organizations who infringe upon its copyrights, proprietary rights, and intellectual property.

Exam Tips
On the day of the exam:
1. Plan to arrive at the exam site at least 30 minutes prior to your appointment.
2. Get a good night’s rest the night before.
3. Eat a well-balanced meal prior to reporting to the exam center. Avoid excessive stimulants such as caffeine.
4. Read and follow the instructions carefully. Ask the proctor for clarification if you are not sure about the instructions.
5. Periodically check your progress. This will allow you to make any adjustments in time. Pay attention to the remaining time to finish the exam.
6. Only the questions you answer correctly are scored. There are no penalties for answering a question incorrectly, so answer as many questions as you can.

Examination Scores and Scoring Method
PECB grades all examinations fairly. There is no predetermined percentage of participants who fail and pass, so candidates do not compete against each other. Test scores are based on the number of items answered correctly.

Examination Results
Scores are strictly confidential and they cannot be obtained over the phone or sent to a third party. If you have questions concerning your test results, you should direct them in writing to examination@pecb.com.

Exam Retake Policy
There is no limit on the number of times a candidate may retake an exam. However, there are some limitations in terms of the allowed time frame in between exam retakes, such as:

- If a candidate does not pass the exam on the first attempt, he or she must wait 15 days for the next attempt (1st retake). Retake fee apply.
  **Note:** Candidates, who have completed the full training but failed the written exam, are eligible to retake the exam once for free within a 12 month period from the initial date of the exam.

- If a candidate does not pass the exam on the second attempt, he or she must wait 3 months (from the initial date of the exam) for the next attempt (2nd retake). Retake fees apply.

- If a candidate does not pass the exam on the third attempt, he or she must wait for 6 months (from the initial date of the exam) for the next attempt (3rd retake). Retake fees apply.

After the fourth attempt, a waiting period of 12 months from the last session date is required, in order for the candidate to retake the same exam. Regular fees apply.

For the candidates that fail the exam in the 2nd retake, PECB recommends to attend an official training in order to be better prepared for the exam.

To arrange exam retakes (date, time, place, costs), the candidate needs to contact the PECB partner who has initially organized the session.
Closing a Case
If an applicant does not apply for his or her certificate within three years, their case will be closed. Even though an applicant’s certification period expires, they have the right to reopen their case. However, PECB will no longer be responsible for any changes regarding the conditions, standards, policies, candidate handbook or exam preparation guide that were applicable before the applicant’s case was closed. Applicants requesting their case to reopen must do so in writing, and pay the required fees.

About Certification

Professional References
Professional reference contacts shall be the individuals who have professionally worked with you and can validate your service management expertise, current and previous work history, as well as your job performance. You cannot use anyone as a reference who falls under your supervision, or who is a relative. The candidates shall provide two professional references for each certification application.

Professional Experience
Complete information is required: including job title, commence and end dates, job description and more. Summarize each assignment, providing sufficient details to describe the nature of the responsibilities that you have had. The detailed information is advised to be included in the resume.

SMS Project Experience
The candidate’s service management experience log will be checked to ensure that the candidate has the required number of implementation hours. This information can be detailed in your resume.

Evaluation of Certification Applications
The Certification Department will evaluate each application to validate the candidate’s eligibility for certification. A candidate whose application is being reviewed will be notified in writing and given a reasonable timeframe to provide any additional documentation, if required. If a candidate does not respond by the deadline, or does not provide the required documentation within the given time frame, he or she may be declared ineligible.

Denial of Certification
PECB can deny certification if candidates:

- Falsify the application
- Violate the testing procedures
- Provide false information about themselves
- Violate the PECB Code of Ethics
- Fail to pass the exam

Any concern regarding the denial of certification can be appealed in writing to the Certification Board.

The application payment for the certificate is not refundable. This is because of the process of verifying the application, verifying the evidence submitted by the candidates, and verifying the engagement of the relevant units in this process.
Suspension of Certification

PECB can temporarily suspend certification if the candidate fails to satisfy the requirements of PECB. Additional reasons for suspending certification can be if:

- PECB receives excessive or serious complaints by interested parties (suspension will be applied until the investigation has been completed)
- PECB or Accreditation body(ies) logos are willfully misused
- The candidate fails to correct the misuse of a certification mark within the determined time by PECB
- The certified individual has voluntarily requested a suspension
- PECB deems appropriate other conditions for suspension of certification

Revocation of Certification

PECB can revoke (also referred to as “withdraw”) certification if the candidate fails to satisfy the PECB’s requirements. Candidates are no longer allowed to represent themselves as PECB Certified Professionals. Additional reasons for revoking certification can be if candidates:

- Fail to comply with the PECB’s CPD Policy
- Violate the PECB’s Code of Ethics
- Misrepresent and provide false information of the scope of certificate
- Break any other PECB requirements and rules

Annual Renewal Certification Fee

To maintain your credentials active, there is an annual renewal fee for each calendar year. Registrants who pay their annual renewal fee will appear online in the PECB Directory of Certified Professional.

Recertification

PECB certificates are valid for three years. In order to maintain a certificate, candidates are required to provide evidence that they are performing certification-related activities on an annual basis. In addition, candidates are also required to pay an Annual Maintenance Fee (AMF).

To be able to renew a certificate, candidates will need to provide evidence that they have maintained their certificate(s) on a yearly basis.

After successfully maintaining a PECB certificate for three years, candidates can then apply for a renewal of their certificate.

Note: PECB Certified Professionals who hold Lead Certificates and fail to provide evidence of certification maintenance requirements will have their credentials downgraded. On the other hand, holders of Master Certificates who fail to submit CPDs and AMFs will have their certificates revoked.

To find out more about the Certification Maintenance and Recertification processes, please visit: [https://pecb.com/en/certification-maintenance](https://pecb.com/en/certification-maintenance).
About PECB General Policies

PECB Code of Ethics
The PECB Code of Ethics can be found at: https://pecb.com/en/pecb-code-of-ethics. Adherence of professionals to the PECB Code of Ethics is a voluntary engagement. However, if a member does not follow this code by engaging in gross misconduct, PECB membership may be terminated and certifications revoked. Not only is it important for PECB certified professionals to adhere to the principles expressed in this Code, but also each member should encourage and support adherence by other members.

Other Exams and Certifications
PECB does accept certifications and exams provided from other recognized accredited certification bodies. PECB will evaluate the requests through its equivalence process to decide whether the respective certification(s) or exam(s) can be accepted as equivalent to the respective PECB Certificate (e.g., ISO/IEC 27001 Lead Auditor Certificate).

Non-discrimination and Special Accommodations
All candidate applications shall be evaluated objectively without regard to age, sex, race, religion, national origin, or marital status. PECB will allow for reasonable accommodation (1) as required by the Americans with Disabilities Act (ADA) (2) or an equivalent National Law. A candidate who needs special accommodation must make the request in writing and allow an extra two weeks for processing of the application. Click here to download Special Accommodations for Candidates with Disabilities Form.

Complaints and Appeals
Any complaint that the applicants have must be made no later than 30 days after their certification has been denied. Within 30 working days after receiving the complaint, PECB will provide a written response to the applicant. Should the response from PECB not be satisfactory, applicants have the right to file an appeal. You can read more about the complaint and appeal procedures by visiting the following link: https://pecb.com/en/complaint-and-appeal-procedure.

(1) According to ADA the term “reasonable accommodation” may include: (A) making existing facilities used by employees readily accessible to and usable by individuals with disabilities; and (B) job restructuring, part-time or modified work schedules, reassignment to a vacant position, acquisition or modification of equipment or devices, appropriate adjustment or modifications of examinations, training materials or policies, the provision of qualified
(2) ADA Amendments Act of 2008 (P.L. 110-325) Sec. 12189. Examinations and courses. [Section 309]: Any person that offers examinations or courses related to applications, licensing, certification, or credentialing for secondary or postsecondary education, professional, or trade purposes shall offer such examinations or courses in a place and manner accessible to persons with disabilities or offer alternative accessible arrangements for such individuals.
