It also outlines the steps that candidates should take to obtain and maintain their credentials. As such, it is very important to carefully read all the information included in this document before completing and submitting your application. If you have questions or need further information after reading it, please contact certification.team@pecb.com.

SECTION III: CERTIFICATION PROCESS AND REQUIREMENTS

PECB ISO 37301 Master

All PECB certifications have specific requirements regarding education and professional experience. To determine which credential is right for you, take into account your professional needs and analyze the criteria for the certifications.

The requirements for “ISO 37301 Master” certifications are:

Credential	Exam	Professional experience	CMS experience	Other requirements
PECB Certified 37301 Master	PECB Certified ISO 37301 Lead Implementer Exam or equivalent and PECB Certified ISO 37301 Lead Auditor Exam or Equivalent	20 years: 10 years in a leadership role in the respective field	5000 hours combination of auditing and project activities	Signing the PECB Code of Ethics

Applying for certification

All candidates who successfully pass the exam (or an equivalent accepted by PECB) are entitled to apply for the PECB credential they were assessed for. Specific educational and professional requirements need to be fulfilled in order to obtain a PECB certification. Candidates are required to fill out the online certification application form (that can be accessed via their PECB account), including contact details of individuals who will be contacted to validate the candidates’ professional experience. Candidates can submit their application in English, French, German, Spanish or Korean languages. They can choose to either pay online or be billed. For additional information, please contact certification.team@pecb.com.

The online certification application process is very simple and takes only a few minutes:

- [Register](#) your account
- Check your email for the confirmation link
- [Log in](#) to apply for certification

For more information on how to apply for certification, click [here](#).

The Certification Department validates that the candidate fulfills all the certification requirements regarding the respective credential. The candidate will receive an email about the application status, including the certification decision.

Following the approval of the application by the Certification Department, the candidate will be able to download the certificate and claim the corresponding Digital Badge by going to their Dashboard and clicking view Certificate. For more information about downloading the certificate and the digital badge, click [here](#).

Professional experience

Candidates must provide complete and correct information regarding their professional experience, including job title(s), start and end date(s), job description(s), and more. Candidates are advised to summarize their previous or current assignments, providing sufficient details to describe the nature of the responsibilities for each job. More detailed information can be included in the résumé.

Professional references

For each application, two professional references are required. They must be from individuals who have worked with the candidate in a professional environment and can validate their compliance management experience, as well as their current and previous work history. Professional references of persons who fall under the candidate's supervision or are their relatives are not valid.

CMS audit experience

The candidate's audit log will be checked to ensure that they have completed the required number of audit hours. The following audit types constitute valid audit experience: pre-audit, internal audits, second party audits, or third party audits.

CMS project experience

The candidate's CMS project log will be checked to ensure that the candidate has the required number of implementation hours.

Evaluation of certification applications

The Certification Department will evaluate each application to validate the candidates' eligibility for certification or certificate program. A candidate whose application is being reviewed will be notified in writing and, if necessary, given a reasonable time frame to provide any additional documentation. If a candidate does not respond by the deadline or does not provide the required documentation within the given time frame, the Certification Department will validate the application based on the initial information provided, which may lead to the candidates' credential downgrade.

SECTION IV: CERTIFICATION POLICIES

Denial of Certification/Certificate Program

PECB can deny certification/certificate program if candidates:

- Falsify the application
- Violate the exam procedures
- Violate the PECB Code of Ethics
- Fail the exam

Any concerns regarding the denial of certification/certificate program may file a complaint or appeal by following the complaint and appeal process ([Complaint and Appeal Policy - PECB](#)).

The application payment for the certification/certificate program is nonrefundable. This is because of the process of verifying the application, the evidence submitted by the candidates, and the engagement of the relevant departments in this process.

Suspension of Certification

Failure to submit the CPD and AMF payment during the certification cycle will result in a 12-month suspension period, during which you can address any outstanding AMFs and CPDs. Additional reasons for suspension can be if:

- PECB receives excessive or serious complaints by interested parties (Suspension will be applied until the investigation has been completed).
- The logos of PECB or accreditation bodies are willfully misused.
- The candidate fails to correct the misuse of a certification mark within the determined time by PECB.
- The certified individual has voluntarily requested a suspension.
- PECB deems appropriate other conditions for suspension of certification/certificate program.

Individuals whose certification has been suspended, are not authorized to further promote their certification while it is suspended.

A suspended certification can either be:

- Reinstated — if reasons for suspension are corrected within the given time frame by PECB
- Revoked — if reasons for suspension are not corrected within the given time frame by PECB

Suspended members must remediate their suspension within a maximum period of 12 months.

Revocation of Certification

PECB can revoke (that is, to withdraw) certification if the candidate fails address the outstanding AMFs and CPDs during the 12-month suspension period. Candidates are then no longer allowed to represent themselves as PECB certified professionals. Additional reasons can be if candidates:

- Violate the PECB Code of Ethics
- Misrepresent and provide false information of the scope of the certification/certificate program
- Break any other PECB rules
- Any other reasons that PECB deems appropriate

Individuals whose certification has been revoked, are not authorized to use any references to a certified status.

Individuals whose certification has been revoked may file an appeal by following the complaint and appeal process ([Complaint and Appeal Policy - PECB](#)).

Other Statuses

Besides being active, suspended, or revoked, a certification can be voluntary withdrawn, or designated as Emeritus.

Emeritus Status

Means that your certification is in good standing, but does not need to be maintained by fulfilling CPD nor AMF requirements.

To qualify and be eligible to apply for the Emeritus status, you must be over 60 years of age, have held a PECB certification for at least five years, and you must no longer practice job functions that are specific to the certification.

Optionally, Emeritus who would like to continue practicing job functions, such as audits and/or implementation projects, must report their CPDs on an annual basis, and fulfill a minimum annual requirement of 20 hours of work experience, implementation/auditing or consulting-related experience, training, private study, coaching, attendance at seminars and conferences, or other relevant activities. AMF is not required.

To apply for this status, please complete [the form](#) and send it to certification@pecb.com.

Important note: *In order to return to active certification status, you are required to retake the exam and apply for certification.*

Check the [brochure](#) for more information about the benefits of the Emeritus Certification Status.

Voluntary Withdrawal Status

Means that your certification is in good standing, but you decide you do not want to maintain your certification(s) anymore.

To apply for this status, please complete [the form](#) and send it to certification@pecb.com.
Individuals whose certification has been voluntarily withdrawn will no longer be allowed to present themselves as PECB Certified Professionals.

Important note: *In order to return to active certification status, you are required to retake the exam and apply for certification.*

Permanent Cessation Status

In the event that the certified individual passes away or becomes incapacitated (e.g., because of an accident), the legal representative is responsible for sending the required information to PECB (i.e., death certificate or medical certificate). Consequently, the name of the person will be removed from the contact list and the PECB account will be deleted.

Renewing the Certification

PECB certifications are valid for three years. To maintain them, PECB certified professionals must meet the requirements related to the designated credential, e.g., they must fulfill the required number of continual professional development (CPD) hours. In addition, they need to pay the annual maintenance fee. For more information, go to the [Certification Maintenance](#) page on the PECB website.

Complaint and Appeal Policy

Any complaint that a candidate has must be submitted in writing no later than 30 days after PECB's initial decision. Within 30 working days of receiving the complaint, PECB will provide a written response to the candidate, outlining the results of the review and any actions taken.

Candidates may request a re-evaluation of their exam results or certification decision within 30 days. If not satisfied, they can file an appeal through the PECB Ticketing System. For more detailed information, please refer to the [Complaint and Appeal Policy](#).

SECTION V: GENERAL POLICIES

Non-discrimination and special accommodations
